**BREED THEATER.**

"The Days of Witchcraft," Dramatic  
Moving Picture.

Extraordinary strong attractions are  
offered at the Breed Theater for this  
week, and among the more conspicuous  
ones is the great picture of the stren-  
uous days in Salem, known as The  
Days of Witchcraft, and is a very com-  
plete and comprehensive representa-  
tion of that period. The picture ex-  
plains The Winning Coat is a pretty  
romance of the sixteenth century, in  
which a courtier is arrested for dueling,  
but is pardoned. He breaks his  
parole to see his sweetheart, a lady  
of the court. He is caught, stripped  
of his regalia, and banished from  
court. Despondent, he goes to the  
tavern and whines away the time gam-  
bling. He cleans out his adversary,  
even to winning his coat. In the  
pocket of this coat he finds a letter  
plotting the abduction of the queen.  
With this information he succeeds in  
thwarting the design, and not only  
wins the king's pardon and esteem,  
but the hand of his sweetheart as well.  
The remainder of the long bill in-  
cludes The Guerilla, a strong war pic-  
ture; Under Suspicion, Policemen in  
Action, A Sound Sleeper, In the Lime-  
light, and Charlie Forced to Find a  
Job.

A fine line of musical attractions is  
prepared, some unusual popular nov-  
elties being introduced.

**At The Roderick.**  
Everyone will be interested in the  
special bill at the Roderick for Mon-  
day afternoon and evening. The man-  
agement has by special request held  
over the thrilling picture, The Fatal  
Wedding. This story of deep heart  
interest is very touching and holds the  
closest attention of all through the  
wonderful scenes up to the dramatic  
climax. Another fine picture is The  
Miner's Wife, being a story of the  
passionate and revengeful nature of  
the southern blood. For comedy, A  
Ride for Love has not been excelled,  
and wins the heartiest laughter.  
Miss Heffernan and Mr. Dudley pro-  
vide a fine musical bill and every one  
is pleased with all the features of the  
programme.  
Afternoon at 2.30 and evenings at  
7. Admission 5c as usual.

Under exceptionally good condi-  
tions of weather and clouds vessels  
of the navy have exchanged search-  
light signals at a distance of 65 miles.

**WESLEYAN UNIVERSITY LETTER.**  
Faculty Very Active, the Past Week.  
Annual Briggs Prize Debate—Meet-  
ing of College Body—Annual Track  
Meet.

Middletown, Conn., May 27.—The  
Wesleyan faculty has been very active  
during the past week. Prof. F. W.  
Nicolson attended the conference of  
administrative officers of New England  
colleges held in New Haven with the  
president, Dean Phillips, of the Yale  
Graduate school. This conference was  
established last year and a need for the  
purpose of discussing topics of inter-  
est to the different colleges without  
taking any action. Prof. G. M. Ditcher  
of the history department gave a lec-  
ture before the students on Monday  
evening on "England and Napoleon." The  
acting president Rice has been asked  
by the faculty to represent the college  
at the inauguration of the new presi-  
dent of the Massachusetts Institute of  
Technology. Prof. W. C. Cady will  
represent the college at the inaugura-  
tion of the new president of Union  
university at Schenectady, N. Y., on  
June 8. Prof. A. C. Armstrong of the  
department of philosophy published  
in the last Psychological Bulletin a  
Review of Essays, Philosophical and  
Psychological in honor of William  
James of Harvard. In the next  
number of the Pennsylvania German  
Magazine Professor Kuhns will have  
an article on the genealogy of the  
Kuhns and Brown families of Lan-  
caster, Pa. Professor Kuhns, now at  
the head of the department of romance  
languages, is himself of Pennsylvania  
Dutch extraction and does a great  
deal of research work in regard to  
those people. Professor Rice attended  
a meeting of the board of trustees in  
New York on Wednesday, at which  
nominations for honorary degrees to  
be conferred at commencement were  
made.

On account of several conflicts in the  
schedule of examinations as pub-  
lished, a revised schedule had to be  
printed, and it is now in the hands of  
the students.  
The college has also printed a cir-  
cular on reduced railroad rates which  
are sent to the alumni and non-grad-  
uates of the college. An arrangement  
made by which reduced rates can be  
obtained by all persons wishing to at-  
tend the commencement exercises in  
Middletown.

The annual Briggs prize debate was  
held in Memorial chapel Thursday  
evening on the question Resolved That  
the United States should not inter-  
fere in the affairs of other nations.  
The debate was a very interesting one  
to minor elective officers should be by  
the direct primary system. The speak-  
ers on the affirmative side were S. G.  
Barker of Worcester, Mass., J. T. Har-  
cock of Brooklyn, N. Y., and on the  
negative side G. S. Bringle of Amenit,  
N. Y., and A. T. Vanderbilt of Newark,  
N. J. The prize, valued at \$50, was  
awarded to Mr. Bringle.

The prize will be given on an  
examination in geology held on June  
12th in connection with the regular  
examination of the class in that sub-  
ject.

The Sherman prize, given to mem-  
bers of the freshman class, will be  
awarded on an examination in trigon-  
ometry held on June 6th.  
At a meeting of the college body held  
Wednesday afternoon an amendment to  
the constitution of the undergraduate  
organization was passed whereby a com-  
mittee of executive committee is to be  
appointed by the president of the stu-  
dent body to oversee the affairs of the  
tennis and debate associations, handling  
their financial affairs, and auditing  
their accounts. These associations are  
not under the athletic association nor  
under any supervising board. A com-  
mittee was appointed also to revise the  
constitution of the honor system, to  
include all written work in class. An-  
other committee is working on rules  
pertaining to the system by which the  
oldest assistant managers. Hitherto the  
election has been by popular vote, but  
the general opinion is that this should  
be changed for a competition.  
College sings are being held each  
Thursday evening immediately after  
dinner. W. B. Davis, '34, the trainer of  
the Glee club, will be present from  
now on to sing to the students and  
degraduates in preparation for the big  
open air singing of the undergraduates  
and alumni to be held on Monday  
evening of commencement week.

The annual track meet of the Wes-  
leyan Intercollegiate association will be  
held on Andrus field next Saturday.  
Hartford High school, which led for  
first place last year with Hackettstown,  
will send a big representation this year.  
Other schools are the Springfield High  
Taft, New Haven High, Middletown  
High, Gunnery, Mt. Vernon High and  
C. T. I.  
The tennis schedule for the remain-  
der of the season includes meets with  
Union on Saturday, Williams next  
Monday and with Trinity in Middle-  
town the following Saturday.

No other drink has the refreshing,  
cooling quality of Williams' Root Beer.  
Try it this summer. It is grateful—

**40--HORSES--40**  
Another carload just arrived, and I  
don't think a better one can be found  
in any stable. They are the kind that  
everyone likes—good build, gentle and  
well broken. Some are big drafters,  
others chucks, business horses and  
drivers. I am going to dispose of them  
as soon as possible, and no dealer in  
Connecticut can sell horses of the same  
class cheaper than I can or will at the  
same terms. Come and see me or  
telephone.
